APPLICATION TO PARTICIPATE

Welcome

Thanks for your interest in studying abroad in Seoul, South Korea and Japan!

What is the Study Tour Program and how is it different from Study Abroad?

The Study Tour Program gives Pierce College students the opportunity to take Pierce College classes with a professor from Pierce in a different country. This study tour program offers a 2 week course overseas, allowing for students with jobs or families the opportunity to study overseas with a shorter time commitment. The other big difference is the price. Once admitted to the program, students will then register for the Study Tour course offered, and the price for the course will be no different than regular cost of tuition at Pierce College. The only expenses the student will pay outside of tuition will be their airfare, reduced lodging and meals. Please see pg 5 for more details on pricing. Our partnerships with Sangmyung University and Korea Polytechnics College in Seoul, South Korea and Japan will provide lodging at a reduced charge to our students. You will have the opportunity to earn 5 credits towards your degree during the 2 week program- either Art 100 OR HUM 101. Both can count as a GTE/GE. Please check with your advisor to make sure the program courses fit with your academic plan.

NON-Pierce College Students: you will be required to apply and register as a Pierce College Student in order to enroll in the Study Tour Courses. Please follow this link to apply:

<https://www.pierce.ctc.edu/apply-admission>

*Please fill out this Study Tour application and turn it, along with your payments, on time. After you have received your Pierce College ID you may register for the Study Tour Course. Being accepted into the program reserves your spot in the Study Tour Courses.

When will the 2018 Study Tour Occur?

The dates are: July 8th SeaTac to Tokyo, travel to Seoul July 16th, return to Seattle July 22nd.

Weekly Schedule:

The Study Tour is not a vacation!! It's a STUDY Tour. Key word, STUDY. If you are a student who values experiential learning, and would like to experience learning come to life, this is the trip for you. The GPA requirement for participants is a minimum of 2.5. Your instructor has unique excursions and outings planned for you that will be integrated into their lectures. Class may be held in a local museum, at a local tourist site, in a park, in a restaurant, or at the host institution. The goal is to provide an enriching cultural experience, while still meeting all of the course outcomes and credit hours. Your schedule will not be a 9-5 schedule. Every hour of your day will be packed with cultural excursions, class time, and social outings with local students, and specially planned tourist activities. If you are wanting a truly unique cultural experience, with the opportunity to learn about your host nation with the locals, and earn 5 credits through an engaging course curriculum, then this is the trip for you. If you are looking to party, have free time, and make this your vacation, then this is not the right fit!!

What Will We Be Doing?

Learning through unique cultural experiences, and instruction by a Pierce College faculty member and faculty, staff and students of the host institutions.
