

WOIS 2021 SCHOLARSHIP

Sponsored by WOIS/The Career Information System

The WOIS Scholarship is awarded to one or more WOIS or Career Planner users each year. Scholarship amounts range from \$500 to \$1,000. Up to three scholarships will be awarded.

Pierce College will nominate up to two students for consideration.

Steps to apply:

- 1) Complete the second page of this form. It must be **typed and single-spaced**.
- 2) Submit application to the Pierce College Job and Career Connections Office at JCC@pierce.ctc.edu no later than **Friday, April 2, 2021 at 5:00pm**. Make sure to send your application from your **Pierce College student email**.

Funds awarded will be paid directly to the scholarship recipient after he or she has sent transcripts to WOIS from one quarter or semester of post-high school education, training, or apprenticeship. The scholarship must be used within one calendar year after it is awarded. Funds may be used for any expenses related to education, training, or apprenticeship.

Please contact JCC@pierce.ctc.edu or call 253-964-6265 with questions.

In the review of your application the scholarship committee will consider the following:

- *Correct grammar and spelling*
- *Demonstrated use of WOIS or Career Planner*
 - *What specific WOIS or Career Planner tools did you use and how did you use them?*
 - *What did you learn in your WOIS or Career Planner career and educational exploration and how did it inform your future plans?*

1. In 400 words or less, describe in detail how you used WOIS or Career Planner in your career exploration process: helped you explore potential careers and develop your educational and career plans. Your response should focus on how your thinking was influenced by the activities and information in which you engaged. (It should not be an explanation of the activities in WOIS/Career Planner because your audience is familiar with the platform).

2. In 200 words or less, please tell us about your educational plans for next year and your future career goals. Be sure to connect this information to what you wrote above.
